

STATEMENT OF FAITH

Founded on the principles of faith, Northeastern Regional Bible College affirms that the Scriptures, Old and New Testaments, are the inspired, infallible and revealed Word of God.

That God has revealed Himself to be the living and true God, perfect in love and righteous in all His ways.

That God, who discloses Himself through His creation, has spoken in the words and events of redemptive history. This history is fulfilled in Jesus Christ, the incarnate work, who is made known to us by the Holy Spirit in sacred Scripture.

That the Church is the Body of Christ and is comprised of all those who through belief in Christ have been spiritually regenerated by the indwelling Holy Spirit and that the mission of the Church is worldwide evangelization.
